

Hon. C. C. Ross, Resigns From Provincial Cabinet

Is Succeeded by Nathan E. Tanner, Former House Speaker and Member for Cardston; Interesting News From Edmonton

By T. B. WINDROSS

EDMONTON.—The New Year dawned on the old year of 1936 with the resignation of Hon. C. C. Ross, Minister of Lands and Mines in the provincial cabinet, which was announced late on Tuesday afternoon by Premier Albert, and the same time, Nathan E. Tanner, Speaker of the legislature and member of the House for Cardston, was sworn in as Mr. Ross' successor by his Lordship Chief Justice Harvey, an administrator of the province.

Mr. Tanner will take over his duties as Minister of Lands and Mines. Premier Albert walked from his office down the corridor of the legislative buildings with Mr. Tanner. They entered the Lieutenant-Governor's office and Chief Justice Harvey and R. A. Anderson, clerk of the legislature and of the executive council, were waiting there.

The new minister was rapidly given the oath of office and on leaving the Lieutenant-Governor's quarters posed with the Premier for his picture and then posed to have snaps taken of himself.

Soon several well-wishers had gathered around and the new minister was the recipient of hearty congratulations.

Resignation of Mr. Ross marks the first break in the cabinet, which is the first Social Credit cabinet in the world.

It has been said that there has been some criticism of Mr. Ross' policy of encouraging outside capital to come into the province for development of the natural resources. This criticism on the part of those who the opposition term "the left wing" of the Social Credit party.

Quiet Wedding Takes Place Saturday, Jan. 2

Of much interest in Lacombe and vicinity was a quiet wedding solemnized in St. Cyril's Church at 1:00 p.m. on Saturday, Jan. 2, when Margaret Annie, only daughter of Mr. and Mrs. C. W. Braithwaite, was united in marriage to George C. Newton of Edmonton, the Rev. W. E. Herbert officiating.

The bride was attired in a pretty afternoon frock of rust colored crepe satin and carried white carnations. The bridegroom was in marriage by her father, C. W. Braithwaite. She was attended by a cousin, Miss Patricia Johnson of Humber, and the groom was supported by a brother of the bride, Mr. Charles Braithwaite.

Following the wedding luncheon, which was attended only by immediate family and friends, the young couple left for Edmonton, where they will reside. Mr. Newton is the Edmonton sales manager for the Calgary Knitting Company and until recently Miss Braithwaite was an employee of the Alberta Government Telephones at Lacombe.

ANNA C. SCHRUMM PASSES AWAY

Anna C. Schrumm, a real old-timer of Lacombe district, died at her home Sunday, Jan. 3rd. She had been ailing for some time. Mrs. Schrumm, who was 78 years old, came to this country just past the turn of the century and has lived in this vicinity ever since. She was predeceased by her husband some years ago.

The funeral, in charge of the Lacombe Funeral Home, was held on Tuesday afternoon from the home of Dick Reister, her son-in-law. Interment took place in the Lacombe cemetery. Rev. Mr. Perry officiated. She leaves to mourn her loss one daughter, Mrs. Dick Reister, and six grand children.

Dates For Lacombe Horse Sale Are Set

Attention, Farmers! The dates for the Lacombe Horse Sale have been set for this year. The big event takes place on Tuesday and Wednesday, March 9 and 10. Entries for the sale are already pouring in and entrants are respectfully asked to get their entries in early.

The sale will be held in the Central Alberta Sales Pavilion and all indications point to it being an outstanding success.

This Week's Thought

One person I have to make good—myself.

DOMINION HOUSING LOAN PLAN POPULAR

Check-up Reveals Many Take Advantage To Make Improvements

In a check-up made by the Western Globe, it has been ascertained from an authoritative source that quite a number of home owners in Lacombe and district have taken advantage of the recently inaugurated Dominion Loan Plan for Home and Buildings Improvement.

It is understood some people have felt home dwellings only come under the plan, and to help clarify some of the rumors and interpretations of the conditions in the operation of Home Improvement Plan, the Globe publishes hereunder the highlights of the plan.

In the first place, the plan does not operate for the construction of new houses. It does include improvements and extensions to the following already erected, Farm Dwellings including barns and other outbuildings, Summer Cottages, Combined Stores and Dwellings, Fencing of House or Farm Lands, Graveling and Landscaping, Balloon Fitting if permanently attached to house, Milk or Package Receiver if built in, Lighting Fixtures, Installing of all kinds, Refrigerators if built in, Kitchen Cabinets if built in, Heating Equipment if permanently attached, Domestic Water Storage Tank if permanently attached, Water Pressure System if permanently attached, Wells of all types and Septic Tanks of all types.

It has been suggested that the appearance of the town could be improved by repairing fences around homes, or landscaping and removing unsightly fences.

A check-up by a representative of the Western Globe failed to confirm this information. No person appears to have been informed of such a station, and official parties were surprised at the news regarding Lacombe being listed among emergency landing points.

A further check-up, however, is being conducted to find out if this news is correct.

The news item in question is given below:

"Beacons and other equipment will be installed next spring on the nine emergency landing fields on the Edmonton-Lethbridge air mail branch line ready for inauguration of the service next summer."

Localities Named

"Emergency landing fields are located at Leduc, Lacombe, Red Deer, Oils and Carstairs on the Edmonton-Calgary section of the air mail route, and four more fields are established between Calgary and Lethbridge."

"A rotating beacon, a wind cone, and some means of lighting the field to indicate its shape and desirable direction of land will be included in the equipment of each emergency landing field."

"Small shack to house meter and electrical panels will be placed on the fields, but the lighting equipment on the Edmonton-Lethbridge air mail route is entirely automatic. An astronomical sun clock will turn the lights on and off. Only a caretaker will be needed. As the emergency fields are located outside the towns, the office of caretaker will be filled by a neighboring farmer."

"Lighting equipment at the main airports, including Edmonton, is adequate for the time being, but radio beacon equipment probably will be installed at the airports later."

"As these beacons operate successfully only over a distance of between 100 and 150 miles, the radio beacon at Red Deer will probably be re-opened."

Magnet Lodge Installs Officers

Members of Magnet Lodge No. 12, I.O.O.F., spent an enjoyable evening on Monday, Jan. 4th, when the annual installation of officers took place and the third degree was conferred on several candidates from Halkirk.

Prominent visitors were: P. C. Haynes, Deputy Grand Master of Halkirk; O. Sundberg, District Deputy Grand Master of Alx, and Harry J. Ford, P.D.D.G.M. of Hillhurst No. 46, Calgary.

The following officers were installed: Junior Pat Grand, W. Keith; N.G., A. Rutledge; V.G., J. S. Grant; Secretary, C. E. Todd; Treasurer, R. Saunders; R.S.N.G., F. V. Buch; L.S.M.G., R. Ross; Ward, Fred Masl; Cond., George Theriault; Chaplain, H. E. Todd; R.S.S., O. Korasgar; L.S.S., E. Haglund; R.S.V.G., W. Swanson; L.S.V.G., H. Newman; L.G., Emil Matson; O.G., G. Carlson; Organist, W. Clark.

Following the meeting, refreshments were served and interesting and fine messages heard on the principles of the Order.

WINS SACK OF FLOUR

The lucky person to win the 100-pound sack of flour in the raffle held by the Boy Scouts was Mrs. C. D. Kerby.

The local association wishes to thank all those who contributed in making this event a success.

Old Time Fiddlers Will Compete For Cup on Feb. 12

Annual Competition For Locomotive To Be Held in Central Alberta Pavilion

A beautiful silver cup, given by the Adelphi Hotel and to be known as the Inskip Cup, emblematic of the Champion Old-Time Fiddler of Central Alberta, will be contested for at the Central Alberta Pavilion, Lacombe, on Friday (St. Valentine's Day), Feb. 12th. This will be the second annual event of its kind and

the fiddlers will be competing for the Inskip Cup.

Local Bonspiel Well Under Way

Curlers Entering Semi-Finals in Spirited Games; Wednesday Afternoon 'Spil' Proving Quite Popular

Relief Dance to Be Held Friday, Jan. 22

The Central Relief Committee will hold a dance in the Adelphi Hotel on Friday, January 22. Mr. A. T. Inskip, proprietor of the Adelphi Hotel, has kindly consented to give the members of the committee the use of his dining room, and a fine evening is in store for those attending the event.

Proceeds of the dance will be used for aiding relief recipients and procuring necessary articles which they cannot buy with relief allowances.

A big prize will be drawn for some time during the evening. Refreshments will be supplied by the relief committee.

Get your ticket early.

New Year's Eve Frolic Well Attended

Many of the young people of Lacombe and district opened the New Year with mirth and frolic at the Masquerade Dance in the Pavilion. Notwithstanding the 36 degrees below zero weather, (a winter) many came long distances.

The men in charge of the parking of cars and an abundant supply of hot water for refilling radiators and there was no difficulty in starting any of the cars.

A large supply of caps, streamers, noisemakers of all kinds and over 200 balloons added much to the midnight gaiety as Father Time wrote 1937 on his new calendar.

There were many very fine costumes and the judges had to make some close decisions. Perhaps the most striking characters were those of Mr. and Mrs. Wm. Frizell, Mr. and Mrs. Jack McKenzie and Mrs. John MacDonald. Mrs. F. H. Reed and her guest, Mrs. Wellwood of Edmonton, also Miss Brenda Reed, wore some gorgeous Japanese costumes but did not go into the competitions.

The prize winners were: Best costumed couple—Mr. and Mrs. Wm. Frizell, dressed as His Satanic Majesty and one of Gabriel's Angels.

Best costumed man—John MacDonald, as Santa Claus.

Best comic man—"Scotty" Armstrong—Charles Reed as a Chinese.

Best costumed lady—Mrs. John MacDonald as Martha Washington.

Best comic lady—Mrs. "Casey" Jones as a Fairy.

Best ball character—Miss Mary Sparrow as a Cookbook.

Best character representing a country—Mrs. Armstrong as a native of Turkey.

Best flower or vegetable—Miss Carlson as a Rose.

Best historical character—Mrs. John MacDonald as a Native American.

Best two characters on the floor, judged from the first prize winners—Mr. and Mrs. Wm. Frizell.

Two most original costumes—Mr. and Mrs. Jack McKenzie as "Eddie" and "Wally".

30 YEARS AGO—JANUARY, 1907
Dr. E. M. Sharpe was appointed Health Officer of the year 1907.
On a motion by Councillor H. A. Day, seconded by Councillor J. P. Kent, Mayor D. C. Gourlay and Councillors W. J. Simpson and F. Vickerson were appointed delegates to attend the convention of the Union of the Municipalities of Alberta to be held in Red Deer Jan. 8th, 9th and 10th.
The Finance Committee for the coming year was appointed as follows: W. J. Simpson (chairman), F. Vickerson and H. A. Murphy.

25 YEARS AGO—JANUARY, 1912
Councillor J. Fraser gave notice that at the next regular meeting he would introduce a resolution to renew the note for \$2500 now held by the Union Bank.
It was moved by Councillor J. Fraser, seconded by Councillor E. E. Thierwirth, that the council's regular meetings be held every second Tuesday of each month throughout the year.

Key Underpinning For Drivers and Strollers

Frankish weather last week-end, consisting of rain and sleet, made walking and driving on sidewalks and roads a precarious business these days. Reports have come into the Globe from different main travel routes, to the effect that the asphalt surfaced highway stretching north and south from Lacombe is one sheet of ice. One man in particular, named "The Mail" is quite in order on the main highways.

No accidents have as yet been reported to local police in town but drivers are not moving very fast. Pedestrians, too, take great care as there is a very dangerous underfooting on all sidewalks. Let's hope it doesn't last long.

Walked Nine Miles to Complete

The 1936 contest was held in April, when the roads were at their worst, but even at that it did not prevent one fiddler, walking, aiming to take part in the proceedings.

So much is heard about the modern music that this event will help to keep the fiddle before the public before it slips too far into the discard, and further, what orchestra is complete without the fiddle? Call it a violin if you wish, but if you call it a rose by any other name it smells just as sweet, and so with the fiddle. We cannot and must not let it lose its hold in the musical world, so keep that date open and meet your old and new friends at Lacombe on Friday, Feb. 12th.

"I am in politics for agriculture—not in agriculture for politics," George N. Peck.

Miss Irene Smith returned from Edmonton last week-end, where she visited with her parents, Mr. and Mrs. Chas. E. Smith.

Miss Lida McClary entertained the members of her bridge club on Tuesday night at the home of Mrs. E. H. McCaughey.

Miss Lockerby returned from Calgary last week-end, where she spent the last two weeks, the guest of Mr. and Mrs. Victor Lockerby.

Miss Grace Dunlop was a Stettler visitor during the holidays, the guest of her parents, Mr. and Mrs. W. Dunlop.

Miss Lida McClary returned from Calgary last week-end, where she spent the holidays with Mr. and Mrs. J. K. Creighton.

The regular monthly meeting of the Lord Lassies Chapter, I.O.O.F., was held at the home of Mrs. Pratt, Monday, Jan. 11th.

Arrangements are being made for a banquet to be held in conjunction with the annual meeting of the local Canadian Legion, B.E.S.L., on a date which will be announced later.

Henry Patterson of Calgary was a guest of Rev. and Mrs. R. B. Layton on Saturday.

The regular meeting of the Women's Institute will be held at the home of Mrs. J. Craig on Friday, January 8th, at 8 p.m. Committee: Madeline Clark, French, Howe and Tward.

TABLE TENNIS TOURNAMENT NOW UNDER WAY

A table tennis tournament is being held by the local association. First play in the tournament was started Tuesday night. The competition takes the place form of a ladder tournament and it is expected that it will last for some time. Two days have been drawn up, one for ladies and the other for men. Entrants can join in the play by entering their name with Horace Selinger or Jim Fairbairn.

The World of Wheat

By H. G. L. STRANGE
Director, "Cross Testing Plan"

ARTICLE No. 8

A Scotchman made perhaps the greatest gift ever sent to Western Canada and received nothing in return.

This refers to the introduction into Canada and the West of the famous Red Fife wheat, which was not only of superlative quality itself, but also is one of the parents of Marquis, Reward, Garnet, Thatcher and other good varieties.

It appears that in 1842 David Fife of the Township of Otonabee, Canada West (now Ontario) asked a friend in Glasgow, Scotland, to send him a little wheat. This Scottish friend took a small quantity from a cargo ship which had just arrived from Danzig. David Fife received this and seeded it, but only three ears ripened. These were carefully preserved and seeded again and proved to be a wonderful wheat, which was soon given the name of Red Fife.

Red Fife was imported into Manitoba about 1870 and the first shipment of wheat from Western Canada, made in 1876, consisted entirely of Red Fife. This established the high reputation of Canadian wheat on the world's markets.

David Fife made little or nothing out of his selection, and the name of his Scottish friend who

made the valuable gift to us is not even known.

Following factors have tended to raise grain prices: Persistent wet weather in the southern hemisphere lowers the quality and quantity of grain and delays the movement of new wheat.

Snow covering in Russia insufficient and good precipitation needed. Italian wheat production for 1936 reported as 227 million bushels compared with 284 million in 1935.

Continued unsettled European conditions. Following factors have tended to lower prices: Large U.S. winter wheat acreage indicated, with production slightly over 600 million. Italian corn, rice and potato crops larger in 1936 than in 1935.

U.S. Department of Agriculture reports ample wheat supplies during present crop year.

Reports of considerable surplus of Turkish wheat, barley and corn for export this season.

In order to create additional interest with school teachers and school children, Mr. Strange is willing to offer a small prize for the best list of wheat importing countries sent in by school children. The Editor of the Western Globe has made arrangements with Mr. Strange by which he will correct and return any lists prepared by school students, and sent to him before Feb. 1st. Mr. Strange informs us that he would be glad to give a small prize for the nearest and most accurate list sent to him.

For the fifth time Trelle won the World's Wheat Championship at the International Grain and Hay Show in Chicago. Also Robin Hood Flour, for five years in succession, has won first prize for white bread at the Canadian National Exhibition, Toronto (the world's largest annual fair). The photograph illustrates the interest taken by millers of prize-winning flour in growers of prize-winning wheat.

The World of Fact and Fiction

By ART

"HOUSE ON THE MARSH."

If you are looking for a good book, you will make no mistake if you secure the above from Lacombe's Public Library. It is an interesting story of Dr. Harbald, whose professional skill and spiritual theories were known throughout Pennsylvania and had raised him right to the top of Barchester's "good citizen" list.

Into the action comes young Dr. Carrigan, Harbald's partner, who decides there's something radically wrong in the prolonged absence of Dr. Harbald's wife, Elsie. How Dr. Carrigan out-smarts the ultra-smart Harbald in solving the mystery and freeing the absent wife is the basis of a very good story.

A NICE GAME

Well, Christmas has come and gone and I have been wondering if they are still playing "the silk game" at the Coast. Here's the way I recall seeing it played in Vancouver, generally just before Christmas: You are approached by a very convincing young man who explains that he is the agent for a Chinese cook on board a large liner which has just arrived from the Orient.

said Chinaman has brought some fine silk from his native land and is bringing it ashore next day, and by concealing it on his person will escape paying heavy customs duties, taxes, etc., which are very stiff on such goods.

When this certain Celestial is once ashore, the silk is to be divided into lengths of 10 yards each. You can have one of these lengths for the small sum of three dollars—a mere fraction of its value.

The only hitch in this beautiful arrangement (explains the agent) is that the Chinaman demands his money before bringing the silk ashore. The speculative individual, who has visions of making his wife a grand Christmas present of this fine silk, therefore hands his money over to the agent and waits.

You might become enthused over this nice Christmas present scheme sometime. If you do, take a good look at the "agent" and the money you give him, for you'll never see either of them again.

A MAN AND HIS MULE

A man talks to his mule: "Well, Lightning, you're just a mule, and the son of a donkey. I'm a man and made in the image of God. But here we work, hitched up together year in and year out—I often wonder if you work for me or I work for you. Maybe it's a partnership. Anyway, I work as hard as you do plowing or cultivating; we cover the same distance, but I do it on two legs and you do it on four, so I do twice as much work per leg as you do."

"Soon we'll be putting in our corn crop. When we harvest the corn, I'll give one-third to the landlord and one-third to you, and the balance is mine. You eat all of yours but the cob; I have to divide mine with my wife and seven children and six hogs and sixty ducks and sixty hens and a bantam rooster and a banker."

"If you and I both need shoes, you get 'em. You ownery old critter. I even have to worry about the mortgage on your tough, ungrateful hide! About the only time I've got anything on you is election day—I can vote and you can't. But after election day I realize right away I've been as big a jackass as ever your papa was. And then I begin to wonder if politics was made for men or for jackasses—or just to make jackasses out of men."

Scarcity of Highways Causes Accidents

Too many cars and too few arterial highways from urban centers is ranking as one of the main causes of accidents that turn holidays into tragedies for motorists.

Road engineers in the western provinces are concerning themselves with those cases where limited mileage by arterial highways is incapable of safely carrying excessive traffic.

Improvement of the secondary highway system with smooth low-cost asphalt surfaces, it is pointed out, would produce the safety value for relieving this hazardous condition.

Concentration of expenditures on relatively few miles of high-cost highways has concentrated traffic on these short sections. Maintenance costs are necessarily high and the skimpy appropriations for this purpose forced by the low government budgets of the past few years have to be thinly spread over the general highway system.

H. C. Donovan, Chicago crop expert, says he fears the "dust bowl" in the American southwest will be in evidence again next spring, although somewhat diminished in the eastern extremity. But the driest part of the whole United States where producing section is the spring wheat areas in the Dakotas.

Germany Said to be Self-Sufficient

LONDON.—Remarkable progress, alike in the bringing into cultivation of land previously unused and in the direction of replacing foreign goods by home-produced ones, are among points brought to notice in a comprehensive report on economic conditions in Germany, issued here by the Department of Overseas Trade of the British government.

The report is by Mr. E. C. Donaldson Rawlin, commercial councillor to the British Embassy in Berlin. It brings information up to March, 1936.

During the past three years it appears, 3,138,200 acres of German land have been reclaimed largely by the work of Labor Service Corps, which are organizations for the training of the unemployed.

Near Self-Sufficiency

Regarding progress toward making Germany self-supporting in the matter of necessities, almost complete success is claimed where coal, bread, green vegetables, meat, potatoes, sugar, oats and barley are concerned. The percentage of domestic production to the total consumed is now from 90 to 100 per cent in these cases. Corresponding percentages ranging from 70 to 90 are claimed for rayon, timber, bristles, casing, eggs, honey, fruit, milk-products and wines.

Proportions ranging from 30 to 50 per cent are mentioned for fish, hides, fats in general and motor fuel. On the other hand, 89 per cent of the total consumed has still to be imported in the cases of cotton, hemp, jute, silk, rubber, resins and shellac, and amounts ranging from 1 to 30 per cent for most other goods—including such important ones as iron ore, flax, wool, and vegetable oils.

Low Scale of Living

Light is also thrown upon living conditions now obtaining in Germany by juxtaposition of statistics relating to unemployment, wages and cost of living. Here the fact appears to be that while unemployment has been greatly reduced, the scale of living is low and the cost of living high.

Regarding unemployment, the report states that as the result of a drive on the part of the government, the total number of registered unemployed was reduced from more than 6,000,000 at the beginning of 1933 to 1,700,000 by the end of August, 1935, when an increase set in which raised the figure to 2,500,000 in January, 1936.

Wages Fairly Level

In the case of wages, nominal rates have remained practically stable since 1933, these being, however, only about 83 per cent of the 1928 level. The report also says "there are a number of standing charges on the workman over and above social service dues which arise from his corporate affiliations, which reduce his net wages and receipts. No statistics are available regarding the amount of these deductions."

Concerning living costs, the situation is also somewhat obscure. The official estimate for the earlier months of 1936 was about six points higher than the average of 1933—viz., 124.3 compared with 118.0.

God Give Us Men!

God give us men. A time like this demands strong minds, great hearts, true faith, and ready hands. Men whom the lust of office does not kill. Men when the spoils of office cannot buy. Men who possess opinions and a will. Men who love honor, men who cannot lie.

—Oliver Wendell Holmes.

ENGLISH USE OWN "MOTORS" Of the 33 "motors" brought to the U.S.A. for a highway tour by English visitors, only one was of American make.

CLASSIFIED

"Oh," said the customs officer, producing a bottle of whisky, "I thought you said there were only old clothes in that trunk?"

"Aye, that's ma night cap," said the Aberdonian.

WESTLING

WESTLING.—The Chateaufort Club met at the home of Mrs. D. Will on Tuesday.

Miss Nellie Haskins of Edmonton returned home for a few days.

A large crowd attended the dance in the Westling Hall on Dec. 28th. At the card party held in the Westling Hall on Saturday night, first prize went to Mrs. Walein and Mr. Summerville; second prize to Mrs. Earl Forch and Mr. Hartle.

Mr. Stanley Phillips of B.C. visited Mr. and Mrs. A. Billingham during the week.

Mrs. Eric Westling accompanied her daughter, Mrs. Walein, to Hughenden for an indefinite stay.

A number of Westling residents attended the New Year's Eve Frolic in the Clive Hall.

"I am much more interested in the quality than the quantity of people," —Lord Horder.

CANADIANS AND THEIR INDUSTRIES... AND THEIR BANK

MINING AND METALLURGY

Mining in Canada, now second largest of the country's industries, gives employment to 80,000 workmen and has a production value of over \$500,000,000 per annum.

As an accompaniment of this great and growing mining industry, Canada is building up a smelting and refining industry of world importance. There are now huge plants in Ontario, Quebec, Nova Scotia, British Columbia and Manitoba. These plants produce:

Copper • Nickel • Zinc • Lead • Cobalt • Iron
Ferro-alloys • Gold • Silver • Blomath • Radium
Cadmium • Selenium • Aluminum • Tellurium • Uranium

The plants give direct employment to 10,000 workers, and indirect employment to many thousands more; have a production value of \$200,000,000 per annum; purchase coal and electricity to the value of \$12,000,000; pay for

equipment, supplies, freight, etc., some \$40,000,000 per annum; and add some \$100,000,000 to the export value of Canada's mineral products, without counting the value of the gold recovered from base metal ores.

Prominently identified with the upbuilding of the smelting and refining industry of Canada from its inception, the Bank of Montreal gives this industry financial service through every stage. Thousands of workers are depositors, sharing in the safety and facilities of the Bank with their employing companies.

The Bank's services include: Commercial accounts; foreign currency accounts; financing of shipments; loans and discounts; collections; trade and credit information; safe-keeping of securities; savings accounts; money orders; travellers cheques; banking by mail; personal loans.

Can You Afford to Use More ELECTRICITY?

If at present you are a user of Electricity you know that you could not afford to be without it. But, if you use it only sparingly, you are not taking full advantage of the services which are available.

Even at the basic rate Electricity is cheap; but once enough energy has been used to satisfy your minimum requirements a FEW ADDITIONAL CENTS will bring you MANY ADDITIONAL HOURS of convenience in the use of an Electric Washer, Vacuum Cleaner or Refrigerator, and of comfort and enjoyment in the use of a good Reading Lamp or the operation of your Radio.

Where can you obtain greater value for so small an added cost as in the full use of your Electric Appliances? What small investment in your home will return you greater, or even equal dividends in comfort and leisure?

The more Electricity you use, the less it costs.

Our local representative will be glad to show you why.

Banff Prepares for Ski Championships

The spectacular skiing depicted in the above drawing of Mount Norquay near Banff in the Canadian Rockies will become an accomplished fact at the Dominion Championships of the Canadian Amateur Ski Association to be held there from March 5 to 8. Only four miles by good motor road from Banff, which is situated 4,500 feet above sea level on the main line of the Canadian Pacific Railway, Mount Norquay is but one of the many fine skiing districts which is earning a worldwide reputation for the Canadian Rockies.

Competitors and visitors to Banff for the new Dominion championships and the women's Western Canadian championships have some pleasant surprises in store for them. The best Canadian and American skiers will compete on trails and jumps difficult enough to try the nerve of the best of them. Pleasure skiing is particularly attractive throughout the beautiful mountain district. All the local and many imported amusements will fill in the spare hours.

With the assistance of the Dominion Government, the slopes of 3,375 Mount Norquay have had jumps, downhill runs, and slalom courses built on them equalling the best in the world. The downhill run, starting 7,200 feet on the mountain, drops 3,000 feet in a mile and a half. Jumps of 250 feet or more are expected from the new jump built on the style of the ones at Garmisch, Germany, and Lake Placid. The slalom course is at an angle of 30 to 40 degrees. Entertainment for visitors, after the day's skiing programme has been completed, will include skating, hockey matches, curling, moonlight dancing, and a number of all things for a winter resort—outdoor swimming in a naturally warm sulphur pool.

Plans are also being made to detain some of the competitors as guests of Banff to show them other less accessible but possibly better skiing grounds, notably Shoki, which is 14 miles from Lake Louise by ski trail; Sunshine, which is eight miles by motor and ski trail; and from Banff, and Assiniboine, which is 26 miles by ski trail from Banff.

Three Big Factors In Rearing Winter Pigs

The winter feeding of swine presents many problems that are not encountered in summer time, since pigs are forced to live under unnatural conditions in winter and without the variety of feeds available in the earlier part of the year. At the same time it has to be remembered that any attempt at forcing winter pigs, when exercise is limited, is courting disaster. Good feed should be fed at a rate that the pigs can overcome and the pigs kept in dry, comfortable quarters with room for exercise in the early stages of growth. By combining good feeding and management, many of the common ailments of swine will be avoided, and the result will be healthy and thrifty market pigs.

Successful winter pig production depends largely upon three factors, states E. B. Fraser of the Animal Husbandry Division, Experimental Farms, Dominion Department of Agriculture. These factors are—warm, dry sleeping quarters, free from draughts; suitable feeds and care in feeding them; and exercise in the early stages of growth. Exercise for the growing animal is practically a necessity. This is particularly true of the pig in the early stages, and especially so if the pig is being forced by heavy feeding. Heavy feeding without exercise is conducive to crippling. It is wise therefore, to allow the young pigs to run outdoors during the fine fall weather, and when they must be kept inside, due to bad weather, they should be allowed sufficient pen space to exercise freely.

With regard to providing warm and dry sleeping quarters, if there are buildings available it would be unwise and not economical to build new pig quarters. Even old buildings should be remodelled only sufficiently to ensure comfortable feeding and sleeping accommodation. Sufficient trough should be provided so that each pig will have an opportunity to secure a fair share of the feed. If the building is draughty or likely to be cold, the construction of a covered sleeping berth will be well worth consideration. It can be constructed of any available lumber in a dry corner of the feeding pen. The sleeping berth should not be more than three feet high and covered with boards and straw, and just large enough in area to house the pigs comfortably in a bed of dry, clean straw.

The most important key to successful rearing of pigs in winter is the matter of feeds and how to use them. So much can be said on this essential subject, that at the present moment, it is permissible only to call attention to the publications issued by the Dominion Department of Agriculture—Pamphlet 63, Fall Litters, Breed-

ing, Feeding, and Management for Winter Pork Production; Pamphlet 74, Hog Breeding and Feeding for Market; Pamphlet 40, Handbook of the Bacon Hog and Hog Grading; Circular 61, Feeding of Swine; and Circular 78, All Year Hog Cabin.

Quips and Quirks

A Leeds engineer claims to have invented a noiseless watch for putting on his pillow at night. But, no doubt, housewives will still prefer the good old-fashioned bed-ticking.

"Mandy," said the dusky woman's mistress, "I've heard about your hard luck. I'm terribly sorry."

"Deed, ma'am, Ah ain't had no hard luck."

"But your husband—wasn't he killed in an accident yesterday?"

"Yes, ma'am; but dat's his hard luck, not mine."

"Be like me and pay your taxes with a smile," advised Mrs. Wise.

"I should love to," said Miss Sharp, "but they insist on cash."

Prisoner: "Judge, must I be tried by that jury with all those women on it?"

Magistrate: "Certainly; they have all been sworn to duty."

Prisoner: "Then, your honor, I plead guilty. It's no use to try to fool a pack of strange women when I can't deceive my own wife."

He: "You're thinner, aren't you?" She: "Yes, I've lost so much weight you can feel my ribs."

He: "Gee, thanks."

The following "Wayside Pulpit" poster was displayed outside a church in a Midland town:

"Love Your Enemies. Make Your Worst Enemy Your Best Friend."

In the same street was another church, outside of which was a temperance poster, headed:

"Your Worst Enemy is Drink."

"Good morning, Mrs. Kelly," said the doctor, "did you take your husband's temperature, as I told you?"

"Yes, doctor, I borrowed a barometer and placed it on his chest; it said 'very dry,' so I bought him a pint of beer and he's gone back to work."

"Pardon me," said the stranger, "are you a resident here?"

"Yes," was the answer. "I've been here since '50 years. What kin I do for you?"

"I am looking for a criminal lawyer," said the stranger. "Have you any here?"

"Well," said the other, "we're pretty sure we have, but we can't prove it."

Tourists Bureaus' Report For 1936

WINNIPEG, Jan. 6.—A record migration of United States vacationists to Canada has been reported by tourist bureaus in all provinces for 1936 and early plans are being initiated to take care of a bigger and better business in 1937.

The figures to be released by the bureaus show there was not much partiality to any one section on the 4,000 miles of Dominion frontier. The roads of adventure sought by the holiday makers led to the shrines of Dominion history, but equally attractive were the silences of the outdoors.

A check-up of provincial highway registers today 100,000 miles of improved roads. Except for the far north, most of Canada's playgrounds are little more than a day's run of United States territory.

71 Per Cent of All Cars Are in North America

No less than 71 per cent of all the automobiles in the world are on the North American continent, while a still larger percentage are built in the United States and Canada.

Last year, according to the automobile Manufacturers' Association, 4,100,000 cars and trucks were made in the United States and Canada. Their value, including accessories, service equipment and replacements, is placed at \$2,995,000,000.

Their gasoline and oil consumption, at retail value, including taxes, represented \$3,586,000,000. That is, the public paid more for motor fuel and lubricants than for all new cars and accessories. To make motor fuel more expensive obviously must reduce the production of cars and their consumption of fuel.

These industries have been the leaders in industrial recovery. Anything that would slow down their progress would put the brakes on recovery.

MEETING STRANGERS

Punch.—Be careful of plausible strangers in railway carriages. A correspondent allowed himself to be drawn into conversation with a fellow traveller and after a short time found himself suddenly cornered, and helplessly listening to a long tale of a two-year putt at big ninth.

After purchasing a railroad ticket a lady was asked by the booking clerk whether she would take an insurance ticket. "No, thanks," she replied, "we are always taking tickets for this and that, and we never had any luck."

Bentley

BENTLEY—Mr. and Mrs. Hergott and son Clifford spent Christmas with relatives in Edmonton. Mrs. Ray Hutton and daughter Gwen spent New Year's in Edmonton with Mrs. Hutton's parents, Mr. and Mrs. S. Nicholson.

The local curlers opened the season on New Year's Day with their annual Men's Bonspiel. Nine rinks were in play and Mr. Russell Garies' rink won the main event. Only local rinks competed.

BH Peterson and F. W. Thorpe each took a rink to Leaskville on Saturday night last for a friendly game with rinks there.

Enters Training School
Mrs. G. Trimble and daughter May went up to Edmonton last week. Miss May will enter the University Training School for Nurses and her many friends here wish her every success.

Mr. and Mrs. Eldred Palmer spent Christmas with Mr. Palmer's people at Claresholm, while there son came down with measles, so they are extending their visit. Mr. and Mrs. G. Everett of Red Deer visited their niece, Miss Bertha Adamson, last week.

Nurse Norma York of the Hospital staff spent New Year's at her home in Edmonton.

Betty and Gerald Evernden, who spent Christmas with their parents, Mr. and Mrs. G. Evernden, have returned to Calgary for school. Mrs. Evernden accompanied them.

Mrs. Wilkie and daughters, Pearl and Loretta; Miss Ruth Wilkie and Mr. Geo. Sparks of Ponoka spent the Christmas holidays at Halkirk with Mrs. Wilkie's daughter, Helen, and other relatives in attendance at a family re-union of the Wilkie families resident in Alberta.

Born at Bentley Hospital: To Mr. and Mrs. Fred Moos of Eckville on Dec. 30th, a daughter, and to Mr. and Mrs. Hankins, Jr., of Bentley district on Dec. 31st, a son.

MILITARY SECRETS
Chicago Tribune—A petty officer of the United States navy has been convicted of selling military secrets to the Japanese. About the only real secret we have in the army or navy in the United States is why colours' wear spurs. But the Japs couldn't buy that secret for a hundred million yen. Nobody knows.

Milwaukee Journal—A Detroitier is held for derailing a train with his ax. The revived standing of locomotives in the crossing league shows: Won 203, lost 1.

CENTRAL-SMART-INEXPENSIVE

Spruceville

SPRUCEVILLE.—The regular Spruceville meeting will be held at the home of Mrs. W. W. Burton on Saturday night, Jan. 9th. All junior members should endeavor to be present so as to lay plans for the year's activities.

The young people from Rice and Spruceville attended a party at the home of Mrs. McGeech Tuesday night.

Miss June Dunn has been spending the New Year's holiday with Sergeant's at Clive, not returning to Heath's until Tuesday afternoon.

Mr. and Mrs. Stout had a family gathering on New Year's Day.

John Prince, Garret Prince and Brauer are Edmonton visitors this week.

Mr. and Mrs. Dave Boden entertained Mr. and Mrs. Harry Gale and Mr. and Mrs. Siebels of Clive, well to dinner on New Year's Day.

New Year's Party.—Another New Year's party was held at the home of Mr. and Mrs. Kasha, Mr. and Mrs. S. English of Lacombe, Mr. and Mrs. Wm. Parker and family and Mr. Cameron Fraser were the guests.

We are very proud of Miss Florence Hall, our school teacher in Woody Nook. She is going to give a 15-minute broadcast over C.J.C.A., Edmonton, on Friday, Jan. 8th, from 8 to 8:15 p.m.

Don't forget the dance in the hall on Jan. 15th. The ladies have engaged Roth's orchestra and are planning for a large crowd.

Owing to the cold weather and other causes, the meeting scheduled for Wednesday was cancelled. Further plans will be made when the cold snap lets up.

Mrs. Nelson Hall held a family

party New Year's Day. Her mother and father, Mr. and Mrs. W. W. Burton, and her brothers and sisters and their respective families made quite a big gathering.

Mrs. Harry Proudfoot and son are visiting with her mother in Lacombe, Mrs. McGeech.

The annual meeting of the Spruceville (South) Mutual Telephone Co. will be held in Spruceville Hall on Monday, Jan. 11th, at 3 p.m.

Sport-Scope

By JACK McCAUGHERTY

The high school hockey league is pretty well under way. Up to this point, five games have been run off the schedule, with each team seeing action at least once. The games have all been very close and the standing of the teams shows only point margins. And best of all, the players are really having a lot of "fun."

The teams stand as follows:

Team	W.	L.	D.	Pts.
Buzzards	1	0	1	3
Eagles	1	0	0	2
Hornets	0	3	2	0
Maple Leafs	1	1	0	2
Black Hawks	0	1	1	1

Statistics: Most goals for, Hornets 11; Eagles 11; least goals against, Eagles 5.

Next scheduled games: Thursday, Jan. 7, Black Hawks at Buzzards; Sat., Jan. 9th, Buzzards at Maple Leafs and Black Hawks at Hornets; Tues., Jan. 12, Eagles at Maple Leafs; Thurs., Jan. 14th, Buzzards at Eagles.

DID YOU KNOW THAT?—Mrs. Schmeling is the most highly rated heavyweight today; Joe Louis and Champion Jimmy Braddock follow in that order. . . . St. Louis Flyers of the American Association made hockey history this season when they won 16 straight games before losing any. . . . Are you watching those Canadians? Well, keep your eyes on them—they're in

goal places. . . . And the Gorman-Hart feud is still what it used to be. But it looks as if Cecil can't look over the boards and do a little laugh this time. "Knock, knock." "Who's there?" "Cecil Hart." "Cecil Hart who?" "Cecil can't be such a lout winter after all."

The local Junior White Wings are leading the "Little Bear" league. The boys have four wins to their credit against only one defeat.

Al Ettore defeated John Henry Lewis in a 10-round non-title bout last Monday night.

FASHIONS

THERE is a new note in velvet—this year. The fabric has been given a new softness of texture and "drape."

For the tea dance this black velvet princess dress in street length is ideal. Jet buttons fastening down the front from neck to hem, and Venetian lace collar and cuffs, are smart details.

goin' places. . . . And the Gorman-Hart feud is still what it used to be. But it looks as if Cecil can't look over the boards and do a little laugh this time. "Knock, knock."

"Who's there?" "Cecil Hart." "Cecil Hart who?" "Cecil can't be such a lout winter after all."

The local Junior White Wings are leading the "Little Bear" league. The boys have four wins to their credit against only one defeat.

Al Ettore defeated John Henry Lewis in a 10-round non-title bout last Monday night.

Outstanding Comedy

At Avalon Theatre

A riotous farce, with a background of the Far North, is in store for theatre patrons this week at the Avalon Theatre when "Petticoat Fever," starring Robert Montgomery and Myrna Loy, shows this Thursday, Friday and Saturday.

What happens when a big city play boy is sentenced to the Far North as a radio operator and goes without seeing a white girl for months is the basis of the plot. When Myrna Loy enters the scene, what happens is, to put it in ordinary language, "a wow."

Don't miss it. It is without doubt, one of the best productions in its line of the last year.

Life—The skipper of the Queen Mary made no effort to break the record on the first round trip. He had to give the passengers time to write all their postcards.

Dayton Journal—A reformer says nine-tenths of our criminals are never punished. Brother, did you ever see a criminal lawyer's bill?

The Mission Band meets at the hall on Friday after school.

The Official Board meets Tuesday, Jan. 12th, at 8 p.m. in the church hall.

CHRISTIAN SCIENCE
At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Sacrament."

The following is one of the Scriptural quotations contained in the Lesson-Sermon: "As soon then as they were come to land, they saw a fire of coals there, and fish laid thereon, and bread. . . . Jesus saith unto them, Come and dine. And none of the disciples durst ask him, Who art thou? knowing that it was the Lord" (John 21:9, 13).

One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is as follows (page 35): "This spiritual meeting with our Lord in the dawn of a new light is the morning meal which Christian Scientists commemorate. They bow before Christ, Truth, to receive more of his reassuring and gently to commune with the divine Principle, Love. They celebrate their Lord's victory over death, his probation in the flesh after death, his exemplification of human probation, and his spiritual and final ascension above matter, or the flesh, when he rose out of material sight."

ADDED BLESSING
A Scotchman paid a visit to London and had some difficulty finding quarters to suit him. During his wanderings about the streets, he met a man and related his difficulty. This man told him that he could put him up for the week end, should he not be able to get suited elsewhere, and the offer was readily accepted.

At the end of the third day, the man from the Land o' Cakes prepared to leave, and as the householder was a little apprehensive that the guest had forgotten about payment, he broke the ice as follows:

"Well, how did you like your quarters?"

"Grand, mon."

"Room nice and comfortable?"

"Splendid—nothing better."

"Good all right?"

"Best I've ever had."

"So, altogether, you are very satisfied?"

"Mon, I'm more than satisfied."

"Well, then, how about ten shillings?"

"Mon, it would be a Godsend."

Clive

CLIVE.—The New Year's Frolic held in the hall on Dec. 31st, under the auspices of the I.O.O.F., in aid of Sunshine, was a decided success. In spite of 25 degrees below zero weather, the hall was crowded to capacity.

Fourteen took part in the amateur contest and the first prize of \$10 was won by Miss Mountz and the second prize of \$5 was captured by Mrs. Kettly. The dance took place at the close of the contest and paper hats and noise-makers were very much in evidence.

The Sunshine Fund was increased by the proceeds.

Born, to Mr. and Mrs. Wm. Short on Dec. 31st, a son.

The infant son of Mr. and Mrs. Harry Heald, born on Jan. 4th, died five hours after birth and the sympathy of the community is extended to the bereaved parents.

George Vanderzyl returned last Saturday from a short stay at Banff.

Miss Florence Nesbitt returned to Calgary on Monday after spending Christmas holidays at her home.

Lincoln

LINCOLN.—Mr. and Mrs. G. Gilbert of Delburne spent the holidays with Mr. and Mrs. Ab. Saunders.

Please note the change of date for the Junior U.F.A. meeting. This is to be held at the home of Mr. and Mrs. Bert Bradley on Monday, Jan. 11th, instead of Jan. 13th.

The telephone meeting dance is to be on Wednesday, Jan. 13th.

A good time was enjoyed by those present at the New Year's Eve dance. The lucky spot dance winners were Miss Stella Bradley and Norman Duncan.

Mr. and Mrs. Ed. Hunt of Spruceville spent a few days visiting with friends in the district last week.

The Junior U.F.A. is planning on having a dance in the hall Jan. 29th.

Pat: "Did you know, Murphy, that poor Mike died in his sleep?"
Murphy: "Begorra, he did now? Then he doesn't know it yet."

NOTICE
The Annual Meeting of the Lincoln Mutual Telephone Co. will be held in Lincoln Hall, on Wednesday, Jan. 13th, at 8:30 p.m.

W. L. INGRAHAM,
Secretary. [17p]

ANNUAL MEETING
The Annual Meeting of Spruceville S.D. No. 361 will be held in Spruceville School on Saturday, Jan. 16th, 1937, at 2 p.m.
Sealed Tenders for Twenty Ricks of Green, Soft Poplar Wood, 14 inches long, will be received up to the close of the Annual Meeting. Wood to be delivered and piled in school yard by March 15th, 1937.
LIZZIE BURTON,
Secretary-Treasurer,
Spruceville S.D. No. 361.

TENDERS WANTED FOR
PUTTING UP ICE
Sealed Tenders will be received by the undersigned for putting up 60 tons of ice, more or less, and packing in sawdust, also for putting up 60 tons, more or less, in cold storage, to be packed tight and chinked. The tenders to be based on price per ton.
Tenders to close at 8 o'clock Saturday, Jan. 16th, 1937. The lowest or any tender not necessarily accepted. Mark "Tender for Ice" on outside of envelope.
LACOMBE CREAMERY,
O. Lundberg, Mgr. [17c]

HOCKEY
(Continued From Page One)

of the game, Brooks banged in a hard shot that had "goal" written all over it, to tie up the score. Ten minutes overtime was played with no scoring.

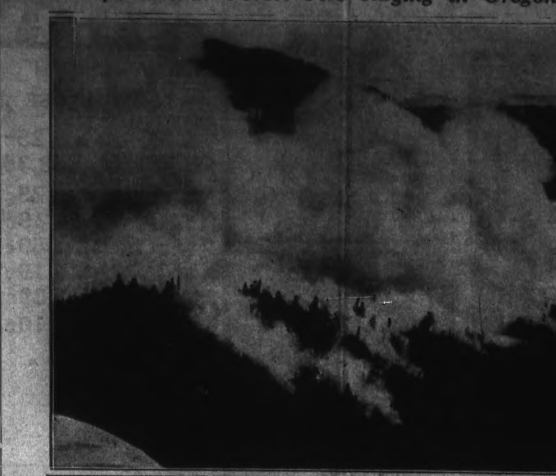

In the first period, Glen Harrison, star Stettler defence man, was hurt. It is expected he will be out of hockey for some time, having twisted his leg and knee badly.
The game scheduled for Monday night, last between Innisfail and Ponoka was postponed until Friday night.

Red Deer lightened its grip on first place in the "Big Six" standing when they won from the Lacombe aggregation by a score of 5 to 3 at Red Deer on New Year's Day. The local boys battled the Red Deer team on even ground throughout the first two periods, leaving the ice at the end of the second with the score at 2-2.

In the third period Red Deer banged in three goals and the best the Lacombe team could do was one. Sawchuk appeared in goal for the local team for the first time this year.

RED DEER-BASHAW TIE 4-4
BASHAW—Ten minutes of overtime failed to break a scoreless tie played here Monday night. The game was fast and air-tight throughout, with both teams playing mainly defensive hockey. Both goalies excelled throughout the game, both replaying stellar hockey.

Spectacular Forest Fire Raging in Oregon

A spectacular view of the worst forest fire in the history of Oregon is shown ABOVE as the flames raged over the hills near Marshfield. More than a score are reported dead, scores are missing, and thousands of families have been evacuated from their homes to the path of the conflagration. Authorities have expressed belief that the first blaze which caused the extensive fires was of incendiary origin.

Rimby C.G.I.T.
Girls Hold Candle Lighting Pageant

RIMBEY—Beauty of thought and preparation went into the presentation of an impressive candle lighting pageant put on by the members of the C.G.I.T. in the United Church recently, when Miss Ena Paul of Red Deer was the guest speaker. Each of six girls, representing the Christian virtues of Joy, Truth, Peace, Charity and Love, lighted their candles from a lone taper glowing on the altar—signifying the spread of these virtues through the example and life of the Lord. Lighted candles were placed effectively in the windows of the church.

Those taking part in the ceremony were Miss Lois De Courcy, Miss Jean McLeay, Miss Annie Dingle, Miss Margaret Rimbey, Miss Frances Jersey and Miss Phyllis Cook. The program included a vocal trio, "We Three Kings of Orient Are," sung by Miss Phyllis Cook, Miss Dorothy Newsome and Miss Margaret Parmentier, and an inspiring talk given by Miss Paul. "God's Candles We," Miss Margaret Craig, president of the group, conducted the program. The meeting closed with the singing of "Taps."

FINED FOR DEER SHOOTING
A Bentley man pleaded guilty to deer shooting out of season and without a license when he appeared before Magistrate E. H. Jones last week. The deer was shot within the limits of the Gull Lake Game Reserve. A heavy fine was imposed.

Mary, at church for the first time, was surprised when all the people knelt down. "What are they going to do?" she whispered to her mother, who replied: "Hush, darling, they are going to say their prayers."

"What! With all their clothes on?" exclaimed the child.

Gull Lake

GULL LAKE—Miss Rita Acton arrived in the district Jan. 4th to spend a few days with old friends. Miss Elsie Patter is a guest at the home of Mr. and Mrs. A. Eklund.

Mrs. R. M. Gibson is spending a few days with her daughter in Calgary. Miss Violet Eklund is visiting for two weeks with relatives near Ponoka.

On Christmas Day, 47 guests enjoyed the annual re-union and get-together dinner of the Hansen families and relatives. Festivities this season were held at the home of Mr. and Mrs. Ed Hansen. Principal guests were Grandma and Grandpa Hansen of Gull Lake and Mr. and Mrs. Peter Christensen and family of the Boyle district. Other guests were the day were Harry Hansen and family, Elmer Peterson and family, Walter Hansen and family of Lacombe, Jim Hansen and family, the Cabelka family, Mr. and Mrs. Carl Madsen, Miss Marion Nelson, Joe Quinley, and Ronald Kirk.

Sunny Crest Wine
Sunny Crest and Gull Lake teams clashed on New Year's Day in the first hockey game of the season, with Sunny Crest getting the big end of a 4-3 score.

The lineup: Groul, Proudfoot; defence, Ebeling, John Hug; forwards, Jenkins, E. Berle, E. Fernie; subs, P. Proudfoot, Don Proudfoot, Harry Southward. Goals scored by: Southward, B. Berle and R. Jenkins.

Mr. and Mrs. E. W. Dowling and Baby Helen were guests of Mr. and Mrs. D. Wareham Dec. 31st. Jim Hansen, local innkeeper, had a busy job Monday locating the break in the telephone line caused by Sunday's storm.

Mr. O. C. Brewer spent Christmas with friends in Edmonton. While there he called at the Department of Fisheries to see R. T. Todd, Deputy Minister, and enquire about the restocking of Gull Lake. He reports

Former Rimby Girl
Is Now Stewardess
In United States

RIMBEY—The Rimby friends of Mr. and Mrs. Arthur Elbergson of Granton, Wisconsin, who 20 years ago resided in the Bentley district, will be pleased to learn that their daughter Leola has recently been appointed to the position of stewardess on the Western and Lindberg Transcontinental Airlines, flying between New York City and the Pacific Coast, with headquarters at Kansas City, Missouri.

Miss Elbergson is the granddaughter of Mrs. Patrick Bowen and the late Mr. Bowen, who were among the pioneer settlers in the Blindman Valley. Mrs. Bowen still resides in the Wooddale district, east of Rimby.

TURN ABOUT!

"Steak and apples," rasped out the furnished customer.

"Yes, sir," said the waiter, beaming, "and will there be anything else? How about lamb chops and peas?"

"No, I want steak."

"How about some nice beef and Yorkshire?"

"No, steak," said the customer, becoming slightly red about the face.

"Crab salad, or perhaps you prefer our pork pie?" smiled the other.

"I ordered steak—" began the customer.

Just then the manager intervened.

"What do you mean by all this nonsense, waiter?" he asked. "I distinctly heard this gentleman say steak."

"That's all right, sir," replied the waiter. "I'm just making him feel at home. He's the barber at the end of my street."

The government has this intention as soon as finances permit.

Canadian Jr. College

COLLEGE HEIGHTS—Since Miss Nethercutt, who has been teaching mathematics and singing at Canadian College, will not be returning, the college board voted that Miss Alice Bauer take charge of the mathematics department, and Mrs. H. K. Martin act as instructor in singing. Miss Bauer, who is a graduate of Broadview Theological Seminary, Chicago, Ill., took post-graduate work in mathematics at the University of Chicago and has been teaching in this province for some time. Mrs. Martin received her A.T.C.M. in singing a few years ago and has taught for many years in both Canada and Australia.

Now, just after the holidays are over, there are numerous reports of sore muscles, sprained ankles and fingers, black and blue spots, as well as frost bitten members—all results of much skating, skating, and tobogganing.

Owing to the illness of her mother, Sidie Patterson has been called to her home in Blackfalds for the rest of the school year.

CURLING
(Continued From Page One)

rinks in all took part. Those participating were: Layton (skip), Morrison, McCormick and Evans; H. Teare (skip), Sage, Rhind and Gustafson; S. Fraser (skip), Chapman, Henderson and Roberts; W. A. Swanson (skip), McCaugherty, Todd and Drummond; Dr. Locke (skip), D. Hay, T. Wilks and Chiswell; Lamont (skip), T. Jackson, May and Lums; Robinson (skip), A. Price, P. Parsons and Saunders; A. Gilmore (skip), R. Forester, J. Taylor and Wallace.

Each rink played two games. The "spiel" was won by Robinson, with an aggregate of 24 to 8.

Warning Issued to
Parents By Health
League of Canada

Serious warning to parents to guard against leaving pills around the house where children can reach them was today issued by officials of the Health League of Canada.

"The records of the children's hospitals in Canada are dotted with histories of young children being rushed to them, having been poisoned by laxative pills," statement of the Health League reads.

"Many laxatives contain poisonous substances which, in small doses, do not harmfully affect an individual, but when taken by young children in quantities, are very frequently the cause of serious illness and sometimes death," officials stated.

The story was related of a young mother who was recently engaged in her housework when she heard her young child who had been playing upstairs scream out as if in pain. On investigation she found that he had swallowed several chocolate-coated laxative pills which she had kept in the house. At least ten pills had been swallowed by the child.

Calls were sent to a neighbor for help, and by use of a little warm water and salt the child was made to vomit and thus his life was saved. The laxative pills contained strychnine.

Laxative pills may be very dangerous to little children. Health League officials continued, urging that parents exercise every precaution to see that such pills are locked up or placed out of reach of children.

TIRED OF SITTING?

With a pair of skates slung over her arm a young woman entered the crowded street car. A man rose to give her his seat.

"Thank you," she said, "but I have been skating all afternoon."
